*Hardship makes hearts heavy...
but Operation Christmas Love
conveys the message of Jesus!*

As Alexandra of Moldova received and opened the parcel, she expressed her gratefulness whilst trying to hide the hardship this family is enduring. "Thank you for this amazing gift! Nobody has ever given us such a wonderful gift before! It is like an unbelievable miracle! This evening, as is often the case, I found it difficult to prepare dinner for my family. All I had were some boiled potatoes left over from breakfast. Our diet mostly consists of boiled or fried potatoes with oil, onion or garlic because we are able to grow all of these in our garden. Food is so expensive to buy these days; we have to choose between food and heating our humble home. This parcel has shown us that God really exists. He has not forgotten us in our struggles. I am thankful to God that my children understand our situation, they are helpful and do not ask for things we cannot afford. They had forgotten the taste of sweets and now thanks to Mission Without Borders, our family and children can celebrate Christmas with joy!"

Mission Without Borders Australia

Operation Christmas Love

For the poor of Albania, Bosnia, Bulgaria, Moldova, Romania and Ukraine, Christmas is a season of celebration, but is often tinged with sadness, for their poverty excludes them from celebrating with the feasts and gifts we like to shower on those we love. Most receive no gifts at all. Mission Without Borders is serving the physical, emotional and spiritual needs of these forgotten people. Your partnership with us through Operation Christmas Love will show them they are not forgotten, that we care. A simple parcel will bring joy into the humble homes of families, the elderly, and staff and children of Children's Homes throughout Eastern Europe. You can play a part in making this happen!

Each parcel will be delivered with love and will contain much needed staple food, such as flour, pasta and tea; Christmas treats; pens and pencils; local delicacies and Christian Literature explaining the true meaning of Christmas - God's Son sent to bring love and hope to this world!

The love of God in a box!

A BEAUTIFUL BOX SHOWS WE CARE!

Stories abound of the blessing of the parcels last year...

Frankel attends the Nehemiah Christian Centre in Albania. From a poor family, the Centre is a safe place of learning and fun! When asked what it means to attend there and receive a parcel, he was more than willing to answer!

"I am very happy that they have accepted me here in this centre. I feel chosen. We learn so much and get to play with our friends. I come from a poor family. Our parents cannot afford anything for us. Here in the centre it is different. We are well taken care of, and the teachers love to make us happy!

One of my best memories is Christmas. We had a special meal, learnt about Jesus, God's Son, danced and sang praise songs together, and then a big truck

arrived full of parcels! There was food to take home to my family – my parents were thrilled as we could now celebrate Christmas together with a feast! My favourite were the lollies and chocolates and the box was so beautiful with red hearts and a bird on it! Our home, normally a place where we do not have enough to eat, now smelt so nice – cooked food! It really was the most beautiful day of the year!"

"For the needy will not always be forgotten..."

Psalm 9:18

Our international goal is to provide 30,000 gift boxes to needy families, the elderly, staff and children of Children's Homes this Christmas.
