Jubilee Thanksgiving Bible Project

1,000,000 Bibles for Eastern Europe

*“Man shall not live by
bread alone, but by
every word of God”*

Matthew 4:4

A MILLION BIBLES TO EASTERN EUROPE!

For 50 years now, Mission Without Borders, with our beginnings as 'Underground Evangelism', has been 'Faithfully Reaching People for Christ.'

Our beginnings involved smuggling Bibles and practical support into Eastern Europe to support our persecuted brothers and sisters in Christ. As communism collapsed in Eastern Europe our ministry grew and broadened significantly to meet the comprehensive needs of tens of thousands of children, families, the disabled and the elderly. This comprehensive support has not changed. However, as a Thanksgiving Project as we celebrate our 50th Year, our Jubilee, we want to meet the unchanging need and priority of providing God's Word. The churches in our field countries are so excited and passionate about this new Project – please would you prayerfully consider how you can partner with us?

If you visit your local Christian Bookstore, which for most Australians is not too far away, you will see shelves of Bibles of all shapes, sizes, colours, versions... There is a cost, but it is not prohibitive.

The people of Eastern Europe have now enjoyed 20 years of religious freedom. Bibles are no longer forbidden and can be found and bought. Yet, if your income is not sufficient to supply your basic need for minimal food, shelter and warmth, the luxury of buying a Bible is never entertained. For those who love the Lord Jesus they may have been fortunate enough to have

been given a Bible or portion of Scripture over the last two decades, but with churches multiplying in that time, there has never been enough to go around.

We want to ensure all beneficiaries of Mission Without Border's ministries have their own copy of the Bible in their own language as well as respond to the cry of our partnering churches by supplying them with the

Bibles they need for their outreach ministry. Pastors and churches have appeared from all over our field countries pleading for Bibles. Their passion is Christ. They know they need our help to meet the critical practical needs of those in their congregations and those they are reaching out to, but their passion and the gift they know will have the greatest impact in this life and in eternity is giving the Bread of Life, God's Word, the Bible.

Please would you join with us to put the Word of God into the hands of 1,000,000 people in our field countries? Our field countries of Albania, Bosnia, Bulgaria, Moldova, Romania and Ukraine are hungry for God's Word and our partnering underground ministries in China are also eager for us to supply as many Bibles as we can.

Just \$8 will put a Bible into the hands of an adult or child.

Please fill out the coupon to indicate how many copies of God's Word you would like to supply, tear it off and seal it in the envelope attached. Alternatively contact our office 02 9647 2022 or our website: www.mwb.org.au to make your donation.

If you can, please consider giving more than one Bible, so we can reach our target of providing 1,000,000 Bibles to our field countries – they are counting on us!

We look forward to sharing feedback with you of those who have been blessed by receiving God's Word and the ongoing ministry that will accompany it.

We do not want to simply distribute large quantities of God's Word and not be around to answer questions, counsel and encourage. Our staff, volunteers and partnering churches will take that ongoing follow-up ministry very seriously.

Thanks for your partnership,

Dear friends,

Greetings from Moldova! This summer we celebrated 18 years of freedom and independence of our country. One of the greatest blessings for us during all these years was the freedom to hear and preach the Gospel. When Moldova was part of the USSR it was extremely difficult, sometimes impossible, to have a Bible. Freedom opened the door for the Bible, and many people received it as one of the most precious gifts. There have been many changes in the last 18 years. The society became more materialistic, but the need for the Word of God is still very immense. Moldova remains one of the poorest countries in Europe, and is faced with one of the worst crises since her independence. But I personally believe that, first of all, we are faced with a spiritual crisis. This is why it is so important that people of Moldova know the Truth, the Truth that comes through the Word of God.

Congratulations to the MWWB for the Jubilee year, and may the Lord abundantly bless the Jubilee Campaign. We are very thankful to all the donors that support this campaign. The need for Bibles is great. What you do will have a great impact for the Kingdom of God. After 8 years of having a communist government Moldova has a new democratic government, which means more freedom and many new opportunities. I believe Moldovan churches are ready to redeem this time. They will organize evangelistic events where many people, including children and youth, will hear the Gospel and receive Jesus as their Savior. What a joy will be for them to receive a Bible as a gift! May the Lord bless you for helping us spreading the good news and expanding the Kingdom of God.

Serving Him together,

The blessing so far...

“Many years ago, when I was at school, I was taught that God didn't exist. Now I don't believe that, because God has made himself known to us; both in nature and in the Bible. There is another way that God has made himself known to us; God has revealed Himself most clearly through His son, Jesus Christ. Through the pages of the Bible, I have learned that He is the Creator of the world and the source of all life”, Sofie of Albania.

“God convicts me through His Word. His Word is the final revelation and for me, it is the ultimate authority. It helps heal me from the pain and hurt of the past and sets me free for the future”, Muhamed of Bosnia.

“I have finally started to find answers to my life. The Bible has helped me learn how to pray, how to love, to have peace and to know that I am part of something greater”, Ivan of Ukraine.
