EVERY GIFT IN THIS CATALOGUE WILL MAKE A LASTING DIFFERENCE.

About Mission Without Borders: Since 1960, Mission Without Borders has been reaching out with the love of God and meeting the physical, emotional, educational and spiritual needs of those suffering the effects of poverty or persecution in Eastern Europe. By involving those we serve, we recognise the dignity of the individual and help build capacity for self-sufficiency. Help is offered for all, regardless of their religious or ethnic background.

Whether you buy chickens, Bibles, a Dreambus trip or a radio broadcast, you'll meet real material, spiritual, emotional or educational needs in the countries in Eastern Europe where we work. Each gift shown in this catalogue meets specific needs identified by the communities we work with. In some cases, the items shown are an example of what your money will help provide. This enables us to respond to differing needs in the most appropriate way, in order to make the biggest difference to those we serve.

You will receive a card and magnet (if requested) that will serve as a wonderful reminder of the difference your gifts have made. Please use the card and magnet to send your greetings and let the recipient know the difference their gift has made.

BLESS THE CHILDREN

Dreambus trip

Imagine a child 'warehoused' permanently in a Children's Home – never venturing out to discover what the world has to offer. What a dream come true to get away from that institution for a day! Give a child a day of pure fun – visiting the capital city, seeing animals in the zoo, and so much more – even a trip to a restaurant for a pizza, an ice-cream, a milkshake...

Bible Correspondence Course for five children

Wouldn't it be wonderful if children were clamouring to learn about Jesus? Well in Eastern Europe they are! Thousands in Children's Homes want to write to their Bible course leader, who cares for them, while learning about their heavenly Father, who won't abandon them. Change five lives for all eternity.

Creative Christian Outreach

Imagine bringing a smile to a child housed in an unfriendly Children's Home, hearing laughter ring out as puppet shows, plays and games are performed! Our Christian outreach ministry is loved by children in the Homes. Local churches and community programs are also keen to enjoy what's on offer. Would you help us bring a smile to their faces and give them the opportunity to hear the Gospel message?

BLESS THE FAMILIES

Mothercare parcels

Having a baby should be the most wonderful time of your life. But with no proper antenatal or postnatal care, it can be tragic. Give a new mother everything she needs: bandages, cotton wool, syringes, medicine dropper, glucose, mother's vitamins and a clamp for the umbilical cord. Your gift will do so much to help a new life.

One Parcel (CODE 1108)

\$25

School supplies for a year

Children in Eastern Europe are not permitted to go to school if they don't have school supplies. Families never have a hope of breaking the cycle of poverty without their children accessing education. By simply providing the basics: general stationery including pens, pencils and books, you're giving a child an education, and a future.

The basics for one child (CODE 1109)

\$30

Bed Linen

Sleeping in crisp clean sheets is something we take for granted. Make a difference for an impoverished family, elderly citizen or child in a Children's Home by giving a set of bed linen. It's a basic gift that will radically improve health and well-being.

1 set of bed linen (CODE 1110)

\$20

5 sets of bed linen (CODE 1111)

\$100

Wood for fuel

Eastern Europeans use wood both for heating and cooking. Without it, many fear the long winter. Give a gift of wood to keep the needy and infirm warm and well nourished. You'll also be providing employment for those gathering and transporting this essential fuel. \$120 makes a great contribution toward the needs of a household for the long winter.

Firewood for families (CODE 1112)

\$120

Food for the Stomach and the Soul

A month of nourishing meals - Few gifts are more important than this! Your purchase of one nutritious meal a day for one month will be a lifeline for those, mostly elderly, who have to choose between food, medicines or fuel to keep warm.

A month of nourishing meals (CODE 1113) \$50

Words of life

How strong is your faith? And how strong would it be if you'd never owned a Bible? Give the Word of Life to build the faith of Christians; to feed those hungry to know more of God. Give a gift of God's Word to help make disciples in Eastern Europe.

Family-pack of 5 Bibles (CODE 1114) \$40

Church pack of 15 Bibles (CODE 1115) \$120

Christian Radio

Reach thousands of adults and children with a drama, an interview or inspiring lesson. Broadcast from Ukraine, each weekly radio program gives millions of people the opportunity to hear about God.

Airtime 5 mins (CODE 1116) \$40

Airtime 30 mins (CODE 1117) \$240

Seeds of hope

Buy seeds for families to plant their own vegetables, and you'll be planting hope for a self-sufficient future. Many families we help cannot afford to purchase fresh food. This leaves their diets lacking the nutrition needed for good health to ward off the harsh winter temperatures and sufficient fuel for growing bodies. A parcel of seeds will allow them to grow food for themselves - will you help us provide 'Seeds of Hope'?

Parcel of Seeds (CODE 1118) \$25

BUILDING CAPACITY FOR SELF-SUFFICIENCY

\$65-\$100

Vocational Training

After a life of growing up in a Children's Home, many young people have little chance of employment and end up on the streets. The plight of families without skills is also bleak. The gift of a Vocational Education Course can literally change their life – can you help us?

Computer Course (CODE 1119) \$65

Dressmaking (CODE 1120) \$75

Bee Keeping (CODE 1121) \$90

Hospitality (CODE 1122) \$100

Mini-farms

MWB works with several families who have been allocated suitable land, but cannot afford to build the barn and keep hens, rabbits, cows or grow crops. This gift will provide the necessary materials for a family to build and run their own mini-farm. You'll be building the family up for long-term sustainability as they breed the animals or grow the crops for food and to sell.

One mini-farm (CODE 1123)

\$3,000

\$3000

\$30-\$60

Chickens

For families with little land to grow food or rear livestock, chickens are the best solution. They provide protein, especially for children, they don't need much space, and just one hen can lay up to 200 eggs a year!

5 chickens (CODE 1124)

\$30

10 chickens (CODE 1125)

Pig

It's more than just a pig! Giving a pig means you're giving families and Children's Homes:

- Income, when selling piglets
